DEJESUS CHRIST!

Teen Mom 3 star bares her divine new hooters

WHEN the public first met **Briana DeJesus** in 2013 MTV reality series *Teen Mom 3*, she was 19 and raising a baby daughter with fuck-all help from her loser ex.

Two years on, Bri's no longer struggling with motherhood, and has treated herself to breast EMBIGGENERS, which she recently showed off on a Florida beach.

Implants don't suit every woman, but we reckon Briana's bristols are BRILLIANT – and we'd be very happy to help her care for them.

Except she's got a different fella these days, who might not like that. Bugger.

Still, there's nothing wrong with perving on her seaside unveiling. It's all part of the cock-warming journey we've taken with Bri from teen mum to 21-year-old MILF!

BANG HARD! BANG OFTEN!

We'll open a door for Lacey...
if she opens her legs for us!

PHOTOS BY LIPSTICK SYNDICATION

BEING a big-busted hottie has its side benefits – like causing fellas to hold open nightclub doors and other polite shit like that.

If only those gals knew that the real reason we do gentlemanly stuff is 'cos we're hopeful it'll lead to some titty-fucking action later on.

Anyhoo, when you're as stunning and chestically well-endowed as Pommy Page 3 model **Lacey Banghard,** we suspect the doors are flying open 24/7.

But if our fantasies DID come true and we got this wonder of nature into bed, what could we expect? Some kinky, *50 Shades Of Grey*-style action p'raps?

"I think every girl has fantasies of being tied up," Lacey saucily reveals. "If they say they don't, then they're lying."

That said, the 23-year-old spunk is in a comfy-rooting phase in life.

"I think you should try everything once, but I'm at the age where I just want to have sex in the bedroom. ▸

'I GOT FRICTION BURNS FROM THE SEATBELT'

"Let's say you're doing it outside – it might rain. One time I was at it in the car and I got friction burns from the seatbelt strip.

"That's not going to happen in bed…and you can have a sleep afterwards."

When she's not shagging beneath the doona, Lacey's busy taking selfies of herself.

"I never used to be that selfie-mad, but since I took my first one, I literally can't stop!" she laughs.

'I MANIPULATE PEOPLE WITH MY BOOBS'

"My Instagram has a LOT of selfies on it. Sometimes I think, 'Do I upload too many selfies?' But that lasts for about a day before I'm pointing the camera at myself again."

Oh…and Lacey's also building a business empire with a cleverly named new bedroom essential.

"My Bang Hard, Bang Safe condoms are in the works and I've got a line of sex toys coming out, each with an individual name, like the Banghard Bullet.

"I gave one to a recently married couple who said it's the BEST thing they've ever tried. The guy even said it made his manhood grow an extra inch!"

Yings! We need to get one of them…er, for a friend.

If Lacey uses her baps as a marketing tool, she'll sell a billion of the fuckers. And you know she WILL.

"I manipulate people with my boobs. God gave them to me; it would be rude not to."

CHARITY FLASH

WHEN we last saw Pom stunna **Melissa Reeves** – in the sizzlin' June 8 issue – the *Ex On The Beach* starlet was baring her botty during a wild night out. Recently, attending a charity bash, she completed the trifecta of rude bits… almost. Reevesy, 23, unloaded a bounty of bosom and made it clear she was sans grundies. If only she'd turned towards our paparazzo mate at that precise instant, he'd be even richer and we'd be even happier.

PAMELA ANDERSON

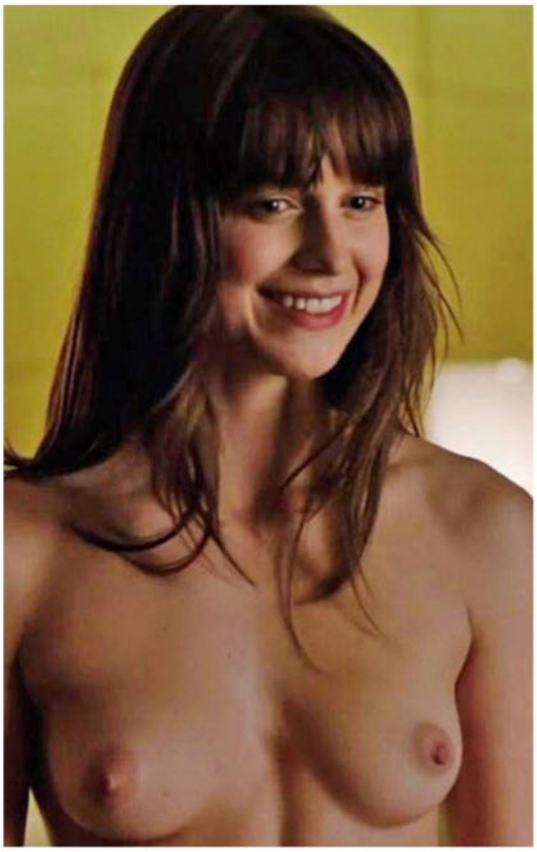
SHEET ROCKING

THE November UK *FHM* is adorned by an Emma Dunlavey portrait of the eternally fuckable **Pamela Anderson**. They're a tad more polite about the 48-year-old Canadian-American phenomenon than us, calling her their "greatest sex symbol". Let's face it, though, both descriptions boil down to the same thing: the fact that any bloke in his right mind would give his left nad to share those white sheets with Pammy for an arvo.

HOMELAND GLAND

SUPERGIRL STRIPPED!

WITH smash-hit new DC Comics series *Supergirl* premiering on Foxtel's FOX8 on December 6, it seemed like the ideal moment to celebrate the out-of-this-world assets of its leading lady, 27-year-old **Melissa Benoist**. Mel revealed said goodies in political thriller *Homeland* in 2011, but it's only now she's become famous as Kryptonian crime-fighter Kara Zor-El/office assistant Kara Danvers that people have become SUPER-INTERESTED in her peeling past.



LIP, LIP, HOORAY!

KOURT'S KAMEL TOE

EVER since she separated from her wayward partner (and father of her three kids) Scott Disick in early July, reality TV sweetheart **Kourtney Kardashian**, 36, has been looking like several million bucks. You're better off without the ratbag, babe! Whether Kourt's suffering sexual frustration since their split is open to speculation, but on this photographic evidence, you could be forgiven for thinking she's as toey as a Roman sandal.

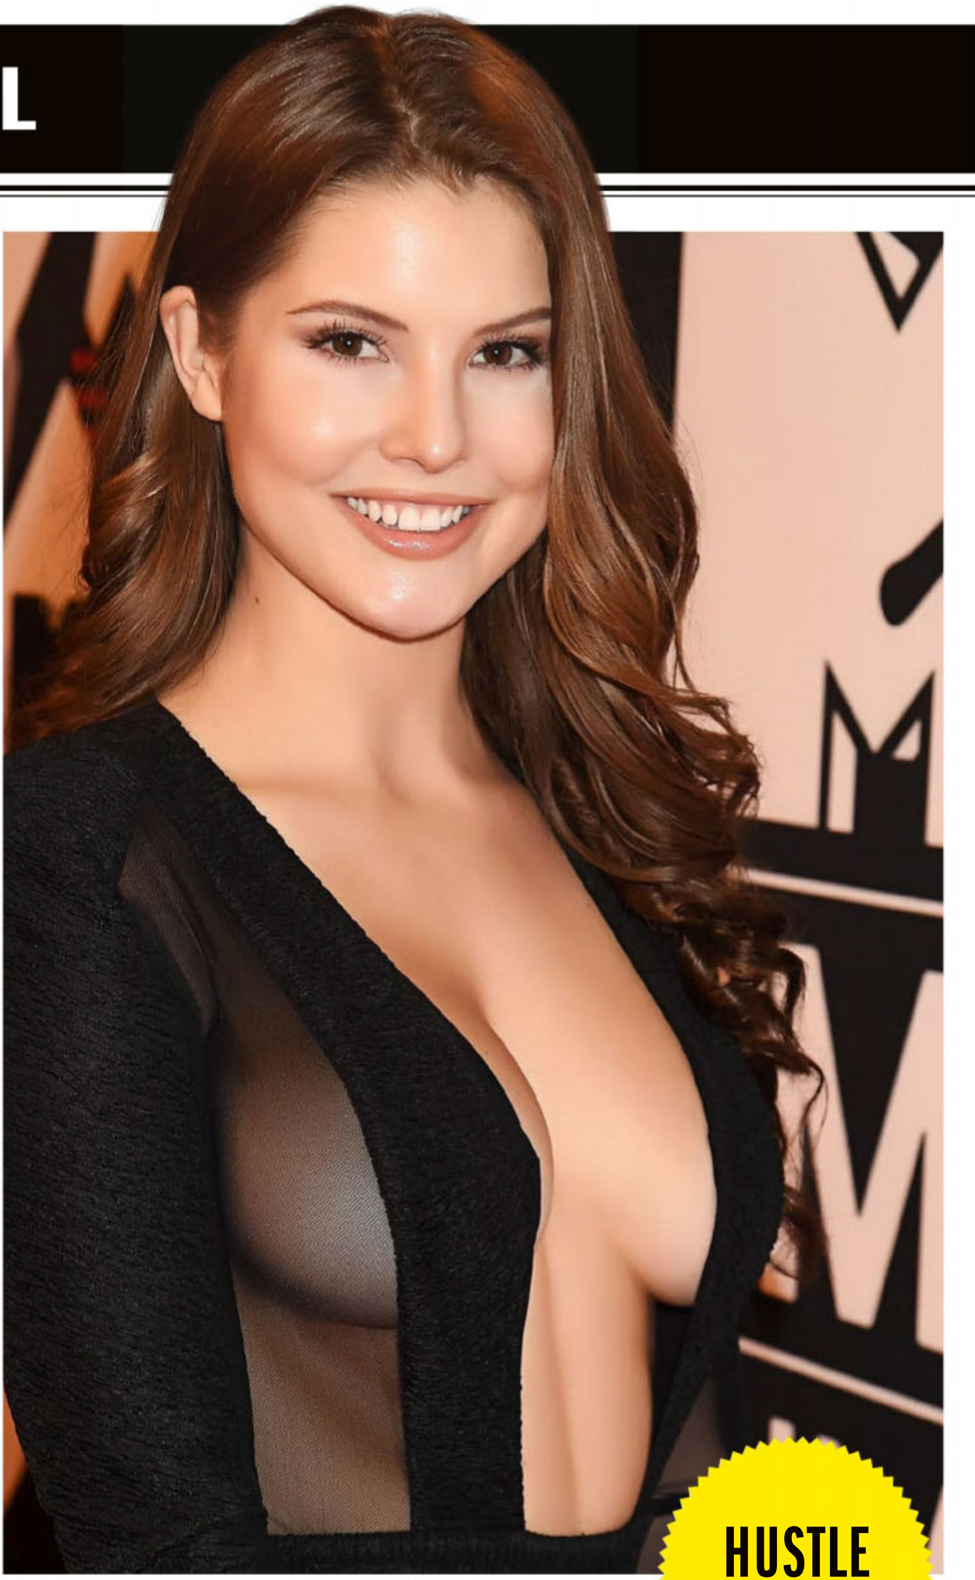
WE RUN German glamma **Micaela Schäfer** fairly regularly in this publication, recording her gazonga-exposing exploits across her native land. But it's worth remembering that the 32-year-old is adored in lots of other countries, too. Here she is in the November-December edition of South African *Playboy* (shot by L. Ramachandran), with her brown hair bleached, her body bronzed and her celebrated globes front and centre.



HUSTLE & SHOW

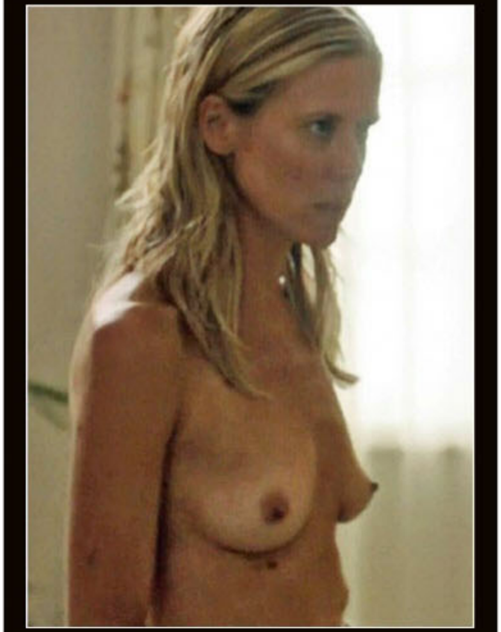
MANDY'S EYE CANDY

PITTSBURGH-BORN former Playmate Amanda Cerny – October 2011 ish, you're welcome – is one of them ultra-photogenic lasses who broadcast their lives on Instagram/Vine and let the modelling offers roll in. With 2.3 million followers and rising, it's no surprise the 24-year-old gets invited to swanky shindigs like the MTV European Music Awards in Milan, Italy. Based on this boobtacular outfit, we're guessing she'll be back in 2016.

AFFAIR GAME

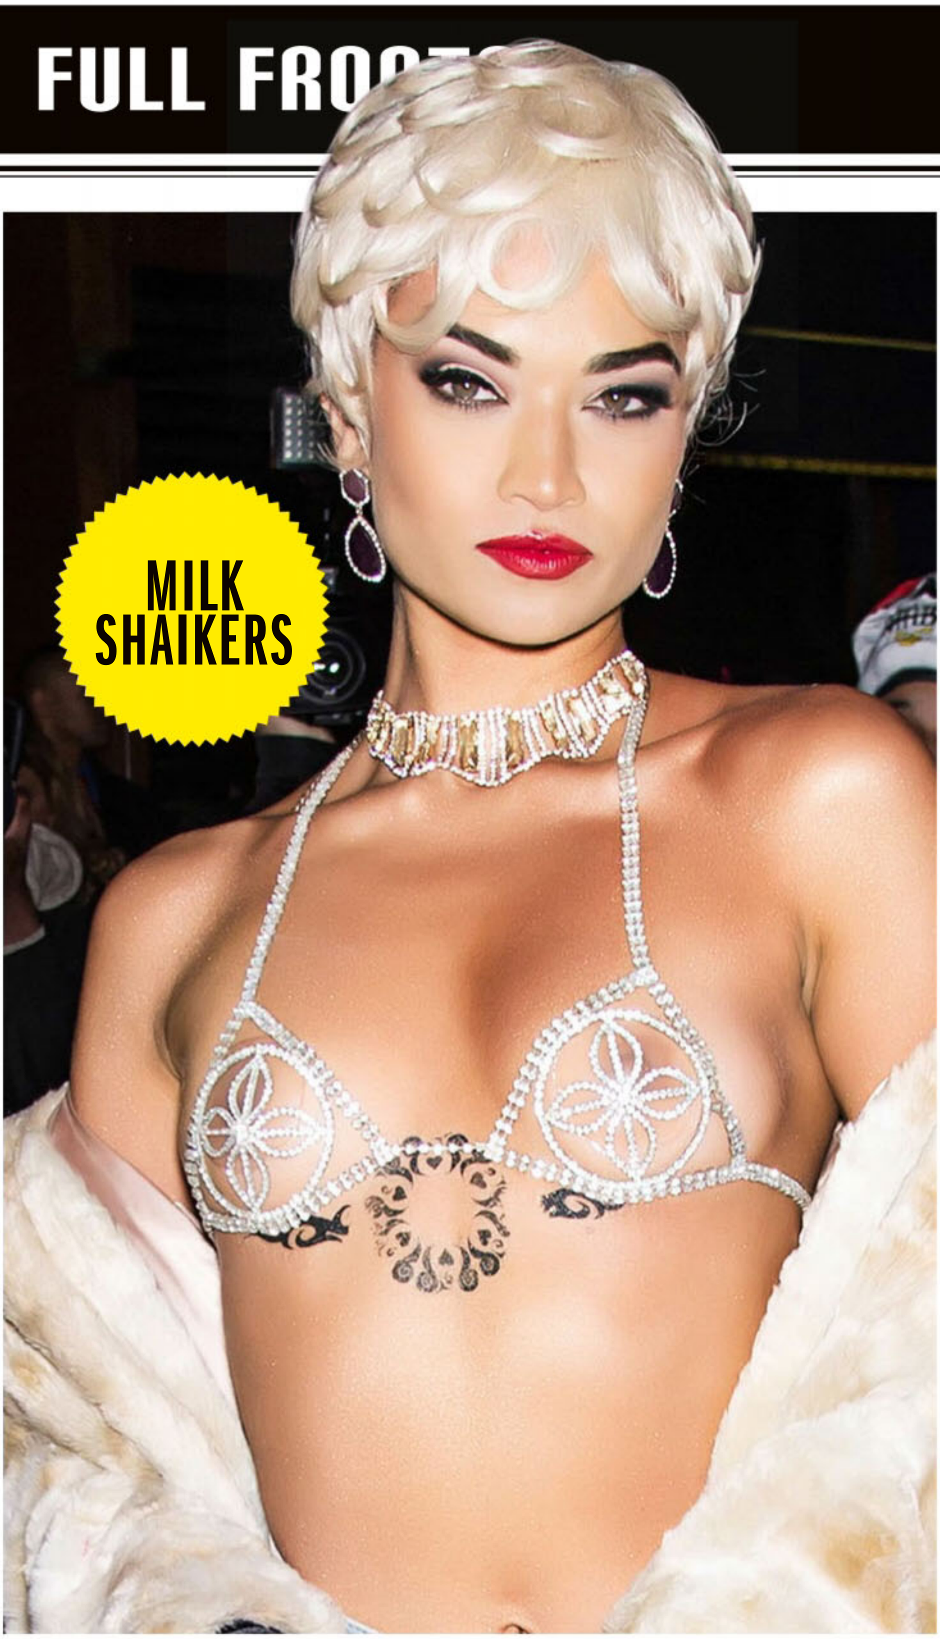
DEADMON NORKING

THERE are so many cable dramas these days that the biggest telly nut can't be expected to watch 'em all. One that may have passed some of you by is *The Affair*, which is about what it sounds like, except – intriguingly – those involved tend to recall key events differently. This seductive scene from the second season involves a minor character played by **Kelly Deadmon**, 48, who previously hosted a foodie dating program. Tasty!



JANICE GRIFFITH

IF YOU haven't already ordered stick flick *Hot Chicks, Big Fangs 2* on the strength of our review in last issue's *Porn Watch*, here's a further selling point: the presence of the gorgeous Janice Griffith. The 20-year-old New Yorker delights in her cinematic screwing, as also witnessed in *I Came On James Deen's Face*, *Penis Pixies* and *Bathroom Sluts*. Some gals will use any old bathroom.



PERVY PARODY

AUSSIE catwalker Shanina Shaik, 24, dressed up as Rihanna for Halloween…or should we say dressed DOWN. If you're gonna try to do a RiRi, you need to (a) be a total knockout, and (b) titillate with a glimpse of breast or bum. Shanina went for the breast option, wearing a Rihanna-esque jewelled bra that did nada to hide her petite mams and round brown nips. As trick-or-treating costumes go, it deserved a fun-size Snickers…or 487 of 'em.

McKINNEY McFEAST

AHHH, that explains why Seppo goddess **Charlotte McKinney** couldn't make it to our tenpin bowling under UV light tournament the other week: she was busy posing for the December *British GQ*. Charls is known for her almighty bazooms, but shutterbugs Hunter & Gatti chose to focus on her legs, which turn out to be equally well-formed. We haven't seen pins as enticing since…well, the other week.

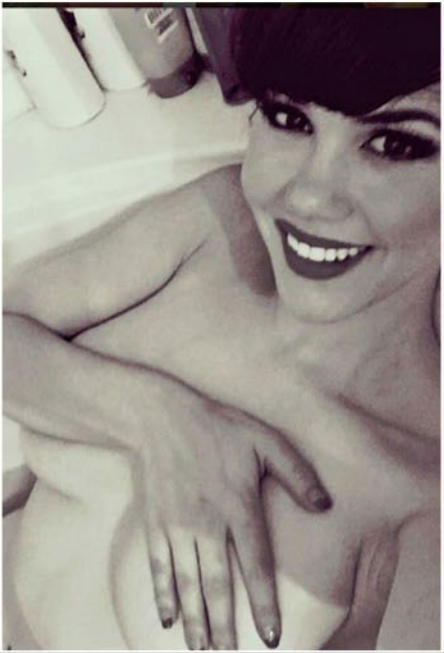
MEG SHOTS

FLESH & BONER

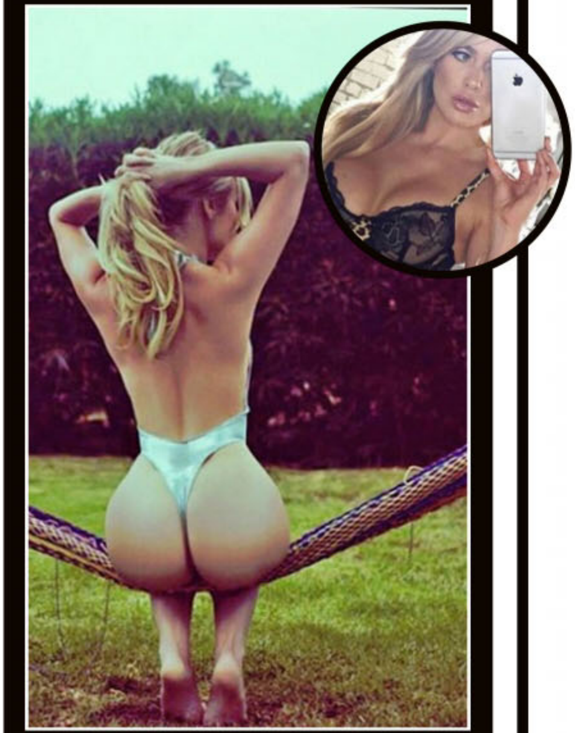
BITCHY, brutal ballet miniseries *Flesh And Bone* – available in Oz on Stan – also features bawdy sequences like this one in which dancer Mona (**Megan Dickinson**) wanders a change room in the nicky-noo-nah. So if your missus suggests watching it, play dumb and say, “OK, honey, if that’s what you want. I can always finish *The Transporter Refuelled* later.” Then sit back and enjoy the fitties and their titties.

SHARING THE LOVE

The freshest flesh on celebrity social media



Yank pin-up **Claire Sinclair** keeps a camera by the bath – and we’re fine with that.

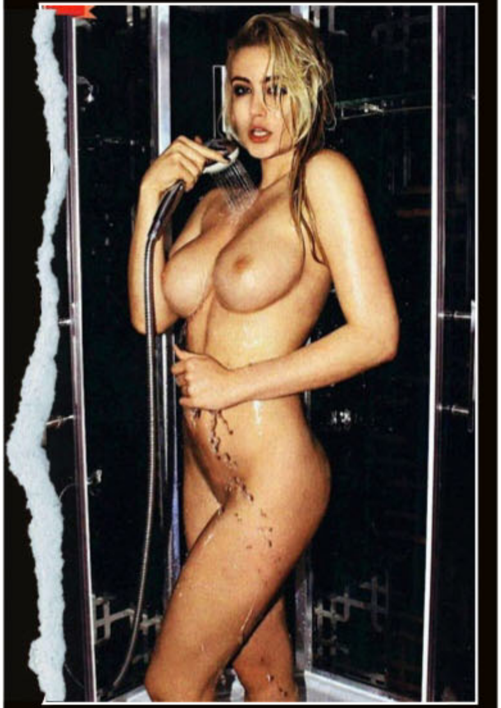


Self-proclaimed “Queen Of Snapchat” **Katie May** rules at resting buttock on hammock.

JOY STEK

WARSAW PHWOAR

AMERICA has *Jersey Shore*, England has *Geordie Shore* and – believe it or not – Poland has *Warsaw Shore*. The format's universal: fly-on-the-wall footage of party-hearty young 'uns getting pissed, getting rowdy and getting laid. *Warsaw Shore*'s cast includes chesty charmer **Claudia Stek**, 20, who has done the business for Polish lads' rag *CKM*. Lordy, you'd tune in to that every week without fail, wouldn't ya?



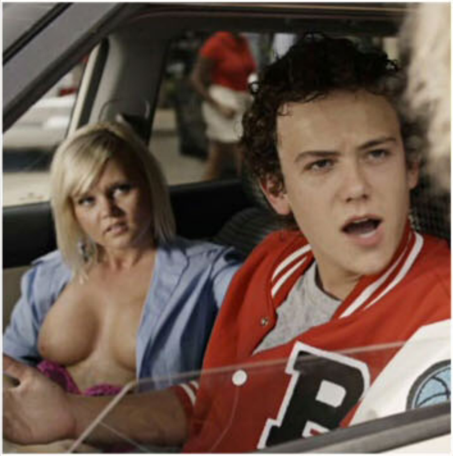
FANCY UNDRESS

SUITS YOU, BAI!

ABSOLUTELY-does-not-look-49 actress Bai Ling was recently messing about with cossies. She wiggled this way and that in a *Star Trek* Starfleet uniform, then bounced up and down in a Superman suit. However, neither appeared to entirely satisfy the *Samurai Cop 2: Deadly Vengeance* performer – possibly because they hid too much of her fabulously preserved figure. Here's Bai coming to that realisation.

BODIES BEAUTIFUL

THANK goodness that in 2015 studios are still producing college comedies with titles like ***Student Bodies*** and classic characters like Coach Bush and Principal Hymen (Tom Arnold is back!). We were starting to think the noisy minority of killjoy wowsers had won. They'd friggin' hate these grabs from *Student Bodies*. Never mind – different strokes for different folks. And no strokes for killjoy wowsers.



COMING SOON

ASHLEY

YOU might go to your grave puzzling over what was in the mysterious briefcase in *Pulp Fiction*, but you won't die wondering what cute 27-year-old redhead Ashley looks like nude from all angles. Not if you continue buying *People* on a fortnightly basis. 'Cos the rest of her shoot ain't far off and we guarantee it's racier than stolen diamonds, an Oscar statue, the severed ear from *Reservoir Dogs* or even Marsellus Wallace's soul!

Lily (she's the short-haired one) is a method actor

SOME FUCKIN' WISE WORDS

SOOOOOOOOOO, ladies… you wanna be a lesbian porn star, munch on hectares of carpet AND make hyoooooooge money in movies and on the interwebz?

Well, before you start doing daily tongue exercises and pull on the strap-on dildo, here are SEVEN pieces of advice from Seppo bull-dyke actrine **Lily Cade** on how to survive and, more importantly, thrive in the jiz biz.

1. Be a failed legitimate actress first: "I was working as an extra," she revealed to Cracked.com. "I was on *Community*… but it wasn't taking off, or paying the bills, so porn seemed like a good idea. I've always been a massive sex addict and exhibitionist."

2. Get real fit for all-day fuck filming: "Porn-level strap-on sex is quite the work-out. That's why my core looks like it does. A lot of stuff where I'm on my knees fucking, piledrivering…is a strange core work-out."

3. Be prepared for some weird injuries: "I pulled a muscle in my tongue once. I'd shot 10 ass-eating scenes and I pulled a muscle 'cos I was working so much. It hurt – it felt like I couldn't stretch it out properly, but I kinda had to keep going, because what was I going to do? Another time, I fell in a fire on my ass. And there's no health care in porn…take care of yourself or you pay."

4. Deal with regular embarrassment when you travel for work: "Every time I go through the airport I have a bunch of dicks in my bag. And about every other time, someone says, 'We need to search your bag, ma'am.' I just tell them, 'It's a bunch of sex toys.'"

5. Not all lesbo porn stars are lesbians: "I've had to fuck some girls who really do not want to do it. They need a car payment or whatever. I want to have a good time. I can't just BS my way through it. I've got to fuck the shit out of you, because this is my job."

6. What you do at home may not be suitable in front of the camera: "I'm fucking depraved, so I won't go as hard on camera. I'm not going to choke some bitch out on camera. That just looks bad. Putting this out for the rest of the world to see…I don't want audience members to go, 'Oh, that's hot' and try it. They don't know how to do it safely. I make sure the work I do treats people ethically."

7. Have an exit plan: "Porn has two roles for women: teens and MILFs," Lily told Cracked.com. "You need to accept there's a limit to how long you can do it. If you're a lifer, you get in on the production side or find a sugar daddy. Some girls do real estate. Some go back to school. My ultimate goal is to go mainstream."

Erm…didn't Lily LEAVE the mainstream to go into XXX?

Anyway, heed Ms Cade's advice and you'll be dining at the Bald V for big bux and fame before you know it.

HIPPIE HIPPIE SNAKE

MOVE over Axel Braun, you have a new rival in the porno parody stakes. Will Ryder has toiled for years banging out beaut hard-core pisstakes like *Beverly Hillbillies XXX* and *Not The Brady Bunch XXX*.

But he's entered darker territory with new flick ***Manson Family XXX***. It comes hot on the heels of Yank TV drama *Aquarius*, which also cashes in on the notorious 1960s cult leader and mass murderer Charlie Manson.

Jeremy Steele portrays the nutbag who, if this movie is anything to go by, spent much of his time getting his NUTS drained by a bunch of long-haired lovelies with flowers in their hair, including **Sarah Vandella** and **Nadia Styles**.

Ryder says his movie depicts the "hippie love and intense sexual acts that took place at the Spahn Ranch near Los Angeles back in the late 1960s. We actually shot much of our movie on that very land."

It may be tasteless, but we suspect *Manson Family XXX* could be the tasty sleeper hit of 2015.

Moments later, Sarah was deflowered …in the arse

NICE RACK, BABE. HOW BIG ARE THEY?
"They're a 34F. I've had them at least 10 years. They've been redone a couple of times. I got them for myself, but I didn't realise the impact the boob job would have on my career. I get all the busty titles. At this point in life, there's no turning back."

DO YOU TASTE YOUR CUNT JUICES WHEN WANKING?
"Yes, I do. When you see me in porn, it's what I do in my real life. You're not getting something that's not really me. The only thing that you're getting is that I'm louder, that's about it."

Porn stars share 30 ways to become a better rooter!

THE woodsmen and spunkrats of adult fillums are giving and sharing types. They share their bodily juices for starters, but they also want to share a wealth of knowledge about how to IMPROVE YOUR SEX-LIFE in the bedroom… or bathroom or front veranda or on the bonnet of your Datsun Sunny or in the frozen-food aisle at Coles… Wherever the horny urge hits you, read these 30 top tips and you'll instantly become a champion shagger!

1

'The most effective thing a guy can do is have confidence and conviction in what he does. If he goes to spank me and I can tell he's hesitant, then that's not such a turn-on for me.'
Chanel Preston

2. "There are so many ways to approach your partner with a kinky fantasy! You can bring it up in bed by whispering in her ear. You can watch a movie together that showcases something new and exciting. Or you can play fantasy date night where you take turns revealing fantasies." **– Jessica Drake**

3. "Don't be afraid to get a little rough, especially when you're doing it doggy style – girls love doggy style. Pull her hair back very gently and give her a spank on the tootsie. Just a little one." **– Ron Jeremy**

4. "I like to start with kisses on my inner thighs. After several minutes of slow, gentle kisses, I get really wet. However, I don't like it when men focus on my love-button too fast; it's sensitive, so I like a steamy build-up before any action down there." **– Jesse Jane**

5. "I love tit-jobs – and giving the guy a blowjob while he's doing it. Having such big tits means I can do some pretty amazing things with them." **– Angela White**

6. "If you're gonna pull hair...grab the hair at the nape of the neck, weave your fingers in the hair at the scalp, grab and pull. Don't grab hair and yank it – that hurts, and not in a good way." **– Lisa Ann**

7. "A lot of clitoral play and rough sweaty sex make me orgasm. And size doesn't matter. It's all about how you move for me." **– Lexi Love**

8. "Try going to the sex shop together. Or do a little sexting during the day to build up the anticipation of sex – or even watch porn together." **– Samantha Saint**

9. "If guys are planning sex with their girlfriend, they should rub one out the night before to get their pipes clean. As long as they eat healthy, and not a lot of processed foods, their sperm will taste better." **– Adrianna Luna**

10. "Missionary is a great possie for two reasons: It hits the best spot and it's the most intimate and romantic, yet also easy access for choking, slapping and spitting." **– Asa Akira**

11. "Most girls usually say their favourite male body part is the penis, but I like the whole happy tour along the torso before you get to the cock." **– Alexis Texas**

12. "Nothing turns me off more than a guy trying to talk dirty and instead sounding stupid. If you don't FEEL what you're saying, then don't say it. I like dirty talk where the guy is telling me what he's doing to me and what he can see." **– Syren Sexton**

13. "When I say I like to be dominated ...it's about the nature of the sex, about who has control. Just as long as the guy's the one swinging me around and being the aggressor, that's all that matters." **– Bree Olson**

14 'If you're going to try spanking her ass, pulling her hair and a little choking, then make sure you start off doing it lightly. If she reacts well, then go in a little harder. Consent is really important when you get into these kinds of acts and not every girl's going to be into it, though I think more are into it than you realise!'

Tasha Reign

15 'When it comes to blowjobs, it's about having a great attitude. You really wanna make love to the cock in your mouth. You don't want to be like, "I'm bored."'

Skin Diamond

16. "Foreplay's important, but a man can get carried away and spend too much time on it. Five minutes is enough for most women, if it's done right. The important thing is to make sure there's plenty of lubrication, natural or added, before penetration." **– Ryan Keely**

17. "Looks don't really matter to me. Porn has taught me that looks are skin deep, it's more personality that gets me off. If you have chemistry, that's all that matters." **– Vivian West**

18. "There's no one way to turn someone on. Everyone's turned on by something different, just as everyone likes a different genre of music, film or taste of ice-cream. It's such a simple fact, but it's often overlooked." **– Sasha Grey**

19. "Something I've learnt from the set is that constant intercourse during sex is not necessary. Pulling it out and stroking yourself while you watch her, or while changing positions, gives you time to subside the urge to cum or achieve a more desired erectness." **– Mr Marcus**

20. "If I'm having sex with a guy, I like to rub my Pocket Rocket mini-vibrator on him. Guys are like, 'Oh, my God! What is that?!' I'm always buying new ones. I wear them out!" **– Trisha Uptown**

21. "I think every woman should get DPed at least once. It's an intense experience, even if you just do it with a large toy and a person, or two toys and yourself. I just think every chick should try it." **– Joanna Angel**

22. “One of my biggest pieces of advice on how to fuck like a porn star is DON’T. The key to sex is to communicate with your partner about what they’re into and what they’re not into. If you’re going to try to have sex like a porn star, you need to make sure the person you’re having sex with WANTS to be done like a porn star.” **– James Deen**

23

‘Roleplay is awesome, especially during foreplay. Nothing makes for a hotter session.’

Lexi Belle

24. “Ladies, pick up a mirror and discover your body. Map out your fleshy bits and learn about the many different techniques that make ‘doing it’ so damn fun. Our bodies were literally designed for pleasure! You could spend your entire life as a student of sex and still never know it all, but you’ll have a fun time learning.” **– Jiz Lee**

25

“Health and fitness is a must. I eat right, work out, don’t smoke, don’t drink. Herbal supplements are a necessity, just because of what I do being so draining on the overall body, not just my cumshot.”
– Peter “Beer Can” North

---

26. “When eating a girl out, take her clit in your lips and suck on it. Tease it and get it as hard as possible. Our clits get hard like your penises, and they are our version of a ‘boner’. Stroke the clit with your index finger and use circular motions, gently adding pressure and when it seems right, even spit.” **– Belle Knox**

27. “I love men who are willing to be daring. Covert copulation in places like elevators, an upscale restaurant, in the car or during an afternoon walk through some secluded woods is a real turn-on.” **– Sunset Thomas**

28. “It’s very important to use enough lubrication during anal sex. Stay away from Vaseline or baby oil because they’re not compatible with condom use. I like silicon-based lube like Eros for anal sex. But if you don’t enjoy the texture there are other good water-based lubes like Astroglide.” **– Katja Kassin**

29. “I like my partners to be spontaneous, adventurous, and a bit dark and twisted. I love good kissing, filthy dirty talking and someone who loves to eat pussy.” **– Sasha Sweet**

‘My best piece of sex advice for women is to love yourself, or learn to. And that goes for men as well.’

Whether it was Sly in three *Rambo* films or Arnie in *The Terminator* and *Commando*, punters wanted action with a capital "A" from their big-screen fare. **ALSO:** *Gallipoli*, *Ferris Bueller's Day Off* (above), *The Princess Bride*, *Top Gun*

Music

Keytars ruled the world (hello, Wa Wa Nee and A Flock Of Seagulls) while Run DMC made even Aerosmith seem hip. And Kylie became a Singing Budgie and we got RSI of the wrist all over again. **ALSO:** Michael Jackson (above), John Farnham, Madonna, Poison

1990s

Teevee Peaks while music achieves Nirvana

Television

Twin Peaks (above) was must-see TV for one season in 1990, then we wanted to forget the following season existed. Two years later, David Duchovny joined a more successful, even weirder series called *The X-Files*. And he didn't have to play a transvestite, either.
ALSO: *Frontline*, *Friends*, *Blue Heelers*, *Buffy The Vampire Slayer*

Movies

If we learnt one thing about Quentin Tarantino (director of *Reservoir Dogs*, above, and *Pulp Fiction*) it was that he couldn't act for shit. Neither could Elizabeth Berkley, but we forgave her 'cos she nuded up in *Showgirls*!
ALSO: *Jurassic Park*, *The Castle*, *American Beauty*, *Toy Story*

Music

Nirvana (above) and Pearl Jam showed you didn't have to dress well to make great music. Locally, Savage Garden were awful on every level and still made a gazillion. Jammy cunts.
ALSO: Frente!, Chocolate Starfish, Britney Spears, R.E.M.

ADELE STEPHENS

Ads was a *People* mainstay in the late 90s – we don't know why. Oh, wait...yes, we do. It was 'cos of her all-natural 32E plapps! Her vadge was nice, too.

1995

JO GUEST

This saucy Pommy Page 3 chick visited our office during the 90s and impressed all of us with her ability to drink us under the table. Onya, Jo!

JORDAN

The Brit babe has been around 20 years, but Katie "Jordan" Price hit a sexy sweet spot in the early 2000s...before rugrats, one too many boob jobs and Peter Andre ruined her.

VERONICA ZEMANOVA

She's still posing, but we preferred the Czech chick pre-boozzie op. Her natural hangers drooped, but our cocks sure didn't when we saw 'em.

2000s

Lady Gaga and Pink showed us their Underbelly

Television

As long as you stuck with just the first season, then *Underbelly* was easily the best drama series of the decade. Comedy-wise, we cringed, then laughed, then cringed again at *The Office* (both UK and US versions) and *Extras*.
ALSO: *Summer Heights High* (above), *Big Brother, Australian Idol*

Movies

Nicole Kidman and Hugh Jackman starred in *Australia*, which was designed to encourage tourists to visit us. Sadly, John Jarratt in *Wolf Creek* ensured that no-one ever did.
ALSO: *Lord Of The Rings* (above), *Harry Potter, Anchorman, Spider-Man*

Music

It was the decade of Pink and Lady Gaga (above). OK, stop crying (at least they regularly flashed their hot bods to ease our pain). Elsewhere, reality stars like Kelly Clarkson dominated the charts. Christ, this decade sucked.
ALSO: Nickelback, Guy Sebastian

2010s

Super powers, super telly and super-annoying Bieber

Television

The idiot box finally stopped being crap thanks to well-produced dramas like *Game Of Thrones, The Knick, Masters Of Sex* and *Sons Of Anarchy*. Of course, there were oodles of bad fake reality shows (*Jersey Shore, Total Divas*) as well. **ALSO:** *Rake, Better Call Saul, Breaking Bad* (above), *The Voice*

Movies

It's all about superheroes, innit – *The Avengers, Captain America* and *Guardians Of The Galaxy* make oodles of green for the movie studios. No wonder every nerd we see has a goofy grin... before we flush his head down the toilet. **ALSO:** *Spectre* (above), *Frozen*

Music

Two words: Justin Bieber (above). Somebody grab a rifle and shoot us... but shoot the Biebs first, eh? ***ALSO:*** Miley Cyrus, Ariana Grande, Kanye West, Taylor Swift

LUCY PINDER

The 31yo UK bombshell has dominated the pin-up world for more than a decade. Long may her bosoms reign! Now, please show us your pussy, Lucy. Pretty please?

The mating game

AS my wife and I sat stiffly next to each other in bed, I could feel the tension in the air. Finally, she burst out, "I'm so tired of this. It's the same old thing every night."

"But I thought this is what you wanted!" I argued.

"It's not. You never make the first move. I'm tired of it always being me. And before you say it – no, it's got nothing to do with you being black!"

"It has everything to do with it!"

"It does not!" she cried.

"You know what?" I said, flinging back the sheets and getting to my feet. "I'm done playing chess with you! It always turns into a fight!"

Ears burning

A BLOND fella shows up at work one day with both of his ears heavily bandaged.

"What the heck happened to you?" asks his boss.

"I was ironing a shirt yesterday and the phone rang. I had a complete brain fart, picked up the hot iron by mistake and put it to my ear. Now it's burnt to a bloody crisp."

"That explains one ear. But what about the other?"

"Geez," says the bloke. "I had to call the doctor, didn't I?"

Josh, Qld

Trunk call

A FELLA goes to the doctor's office and says, "Doc, I had a rough one last night. Broke into the zoo while smashed. And… er…I think I got fucked by an elephant."

"What makes you think that?" he asks.

The drunk drops his pants and blurts, "Just look at the state of my arsehole!"

Sure enough, the man's anus has been stretched to the size of a dinner plate.

The doctor says delicately, "As bad as that is, I don't think an elephant could have been the culprit. An elephant's penis is actually long and thin."

"I know," winces the drunk. "I think he fingered me first."

Dougall, Qld

The price is right

THE CEO of a company calls a meeting with all of his employees to discuss cost-cutting.

"OK, everyone," he begins, "I've gathered you here because we need to brainstorm ideas to help save money for the business. That being the case, I have a proposal. The worker who comes up with the best cost-saving plan will be awarded $1000."

Immediately, a blond guy in the front row shoots up his hand.

"Yes, Earl?" says the CEO. "You're thinking quick. What's your plan?"

Earl says proudly, "Make it $500."

RM, Vic

Cumshot

A YOUNG guy walks into a bar alone and starts ordering tequila shots, knocking five back as soon as they're poured.

Bemused, the bartender asks, "Hey, buddy, any reason you're hitting the shots so hard?"

"Yeah, I just had my first blowjob," the guy announces.

The bartender gives a whoop of delight and claps him on the back.

"Well, that's a cause for celebration," he grins. "Let me pour you another one of these bad boys – on the house."

The young bloke grimaces and shakes his head.

"Mate," he snarls, "if the first five shots didn't wash the taste out of my mouth, I don't think a sixth is gonna help!"

Mathew, Vic

Quack passage

I WENT for my prostate exam and the doctor took his sweet time, probing and inserting stuff, then having a good long look up my arse as I bent over with my pants down.

When it was finally over, I gave a huge sigh of relief, thankful the humiliating experience was over for another year.

As he stepped out of the office, a nurse walked in. Staring after him, she uttered five words that chilled me to the bone: "Who the fuck was that?"

CD, WA

Questionable behaviour

MY WIFE is one of those people who ruins films by asking silly questions when you're trying to concentrate.

Last night, we were watching *Schindler's List* when she leant over and whispered, "Why are you wanking?"

Good pick-up

"HI, I'M Linda," the hot chick at the bar said sweetly.

"And I'm Jeremy," I replied, "but most people call me Dick for short."

"How do you get 'Dick' from 'Jeremy'?" she scoffed.

"Just ask nicely."

Dog act

IT WAS April Fools' Day, so I knocked on my neighbour's door.

"I've got some good news and some bad news," I told her. "The bad news is I've just run over your dog and killed him."

"Oh my God, no!" she cried, before bursting into tears. "What on earth's the good news?"

"April Fool!" I sang.

"Thank goodness for that!" the woman cried in relief.

"I was just kidding," I replied. "There is no good news."

Disciplinary action

LIL' JOHNNY'S mum is cleaning his room when she finds a bondage magazine wedged under his mattress. Horrified, she takes it to her husband.

"Look what I found hidden under Johnny's mattress! What should we do?"

The husband flips through the mag and muses, "I don't think it'd be a good idea to spank him."

Darren, Qld

Sticky spot

I TELEPHONED work to say that I wasn't coming in on Monday morning, explaining, "I was doing some renovations this morning, now I'm superglued to a balcony and can't move!"

"Are you kidding? Doing renovations and now you're superglued to a balcony?" scoffed my manager. "You must think I'm a complete idiot if you expect me to believe that."

"Well, boss, that's my story, and I'm sticking to it!"

MAGIC CASTELLE

HOW come when I'm fishing – something I do a lot – I only meet old grey-bearded blokes and never young hotbodies like Castelle (*The Harem*, November 9)? I'm not surprised she's caught a sailfish. With a body like that, she could charm one straight out of the water!

T-Man, Vic

Gorgeous, ain't she? Alas, the 30-year-old actress doesn't do skin scenes. The closest she's come was baring the top of her butt in the 2014 movie *Faults*. Stolen PRIVATE nudes of Mary Liz were leaked onto the net that same year during "The Fappening" (she admitted they were her), but anyone printing those would be asking for a lawsuit. We still reckon it's hard to beat this sizzlin' pic of her from the April 2007 US *Maxim*.

CUM OUTSIDE

Enjoy the sunshine… and nature gal Natasha!

PHOTOS BY PHOTODROMM

THERE are two kinds of chicks: those who like rooting in the comfort of their bedroom and those who'd rather get into it in natural surroundings. Brit import **Natasha,** 27, falls into the latter category. She lurves to get wild in the wild!

WHEN did your love of outdoor sex begin, Tash?
"About two years ago, when I started seeing a new guy… who's now my ex. Nearly every shag I'd had before him was on a bed and it was only after we'd fucked while on a camping trip that I realised what I'd been missing."

Experimentation is the key to great rooting!
"I thought I knew it all, but I was SO wrong. I'm like a totally different person when rooting outdoors. It's more primal and raw. I get wilder and more open to trying kinkier things." ▸

'I LOVE THE HOT LIQUID GUSHING OVER MY FINGERS'

LUCKY DIP

DO YOU play boardgames, Natasha?

"*Twister* is great when you're drunk, naked and horny.

I also have an old game called *Fun Fair* that's heaps good."

Give us an example of your kinkier side, mate.

"I get turned on watching a guy cum – that little white geyser of molten man-spunk. I love the hot liquid gushing over my fingers and hands after a handjob. It's a little frustrating for guys 'cos most want to fuck till they cum inside me. But all's forgiven when I ask them to pull out and blow elsewhere, like on my arse cheeks or across my tits."

Speaking of your bum, it's divine. Do you ever let fellas plough your back paddock?

"I've heard great things about anal sex from girlfriends of mine, but I haven't yet taken the plunge. Why not just fuck my pussy? Vaginal sex is pretty good, too, y'know! Maybe one day I'll try anal, then regret not doing it sooner."

'I HAVEN'T YET TAKEN THE ANAL PLUNGE'

Who IS Natasha?

"At the moment, I work in hospitality and surf on weekends – bodyboard, not stand-up – and I usually spend my Saturday arvos at the local surf club. I may as well enjoy the weather while I'm here."

Are you much of a beer drinker, Tash?

"Coopers 'Green' and One Fifty Lashes are my current Aussie favourites. Throw in a bag of salt'n'vinegar Kettle chips and a nice view and I'll be out on the balcony for hours. You can't beat it!"

LADIES LOUNGE

BAILEY | 25 | The Harem, Oct. 12

WHAT'S YOURS, DARL?

YOU sure like tequila, huh Bailey?
"I'm an avid tequila drinker – I only drink the best and drink it straight. And I prefer sips to shots."

We prefer to smash it in one hit.
"Tequila shots instantly make my nipples hard. Don't ask!"

Which brand is your favourite?
"Herradura – the brand manager actually sent me some bottles when he saw a Facebook post I made about how much I love it!"

He must've had the hots for you!
"I reckon he must've!"

TEQUILA HERRADURA: This is the business, people – the real deal! Tequila Herradura was founded in 1870 by Félix López in Amatitán, Jalisco, Mexico. It may be owned by a Yank conglomerate nowadays, but the booze is still produced in the same Mexican factory using 100% agave and traditional brewing methods.

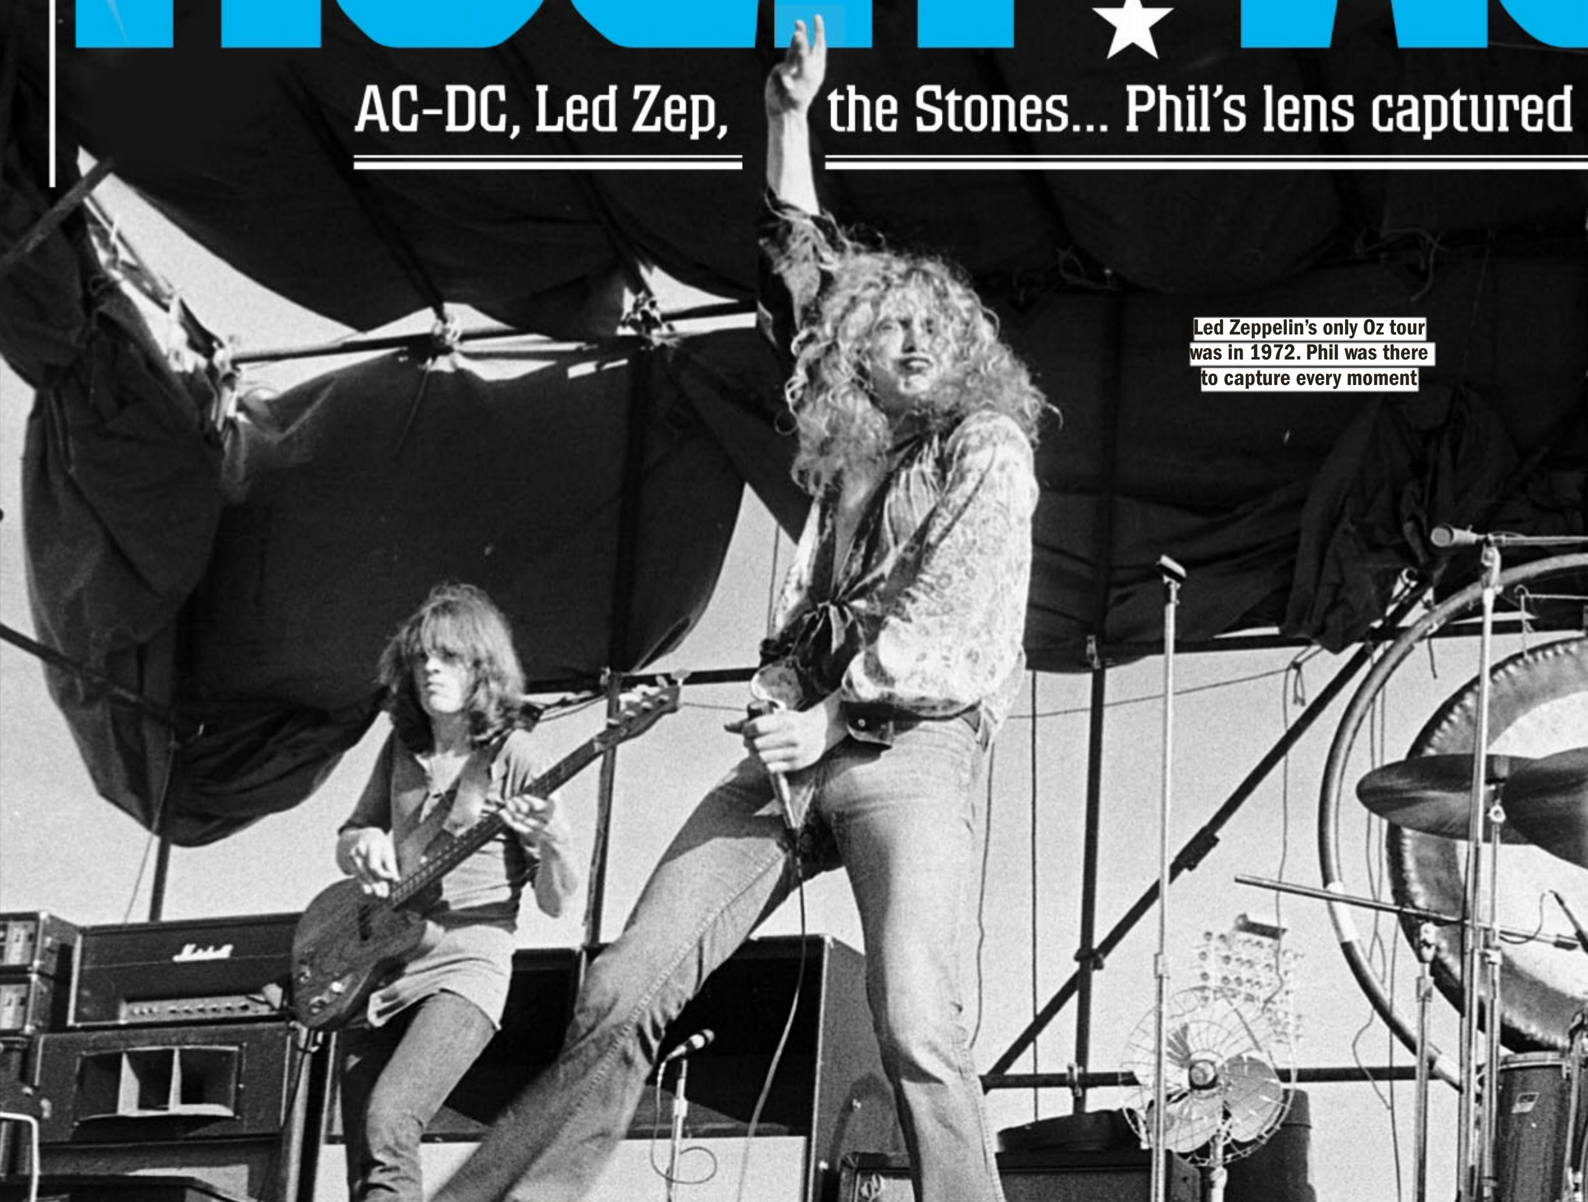
ROCK OF AG

AC-DC, Led Zep, the Stones... Phil's lens captured



Led Zeppelin's only Oz tour was in 1972. Phil was there to capture every moment

Skyhooks in the mid-70s

LONG before this era of autotune, skip-hop, boy bands and *The X Factor* – when Justin Bieber was still decades away from being the load his mother should have swallowed – rock'n'roll was GOD.

The 1970s was a golden decade for the Aussie music scene and much of it was chronicled by champion shutterbug Philip Morris.

He was fortunate enough to be behind the lens when many of the major acts hit our shores – from Led Zeppelin and Frank Zappa to the Rolling Stones.

Phil also captured some of our finest home-grown talent on film, from local stars including Billy Thorpe, Midnight Oil and Skyhooks to acts on the verge of international superstardom like AC-DC.

His best photos have been compiled in an incredible new coffee-table book, ***It's A Long Way: The Photography Of Philip Morris – From Acca-Dacca To Zappa, 1969-1979***.

Don’t let the words scare you, because the oodles of pics speak for themselves, taking you on a vivid journey through sweaty gigs, screaming groupies, rampant guitar smashing, and wild antics fuelled by booze (and other substances), featuring some of the greatest musicians of that generation.

“These were exciting times,” Phil writes, “to be able to document these emerging trends in music and fashion was such a blast. It was a huge buzz, a real thrill, a time in my life I’ll never forget.”

BANSHEE

I scream, you scream, we all scream for boobies!

IF WE stole $10 million in diamonds from a Ukrainian mob boss, we could think of better ways to hide ourselves than hijacking the identity of a dead small-town cop, then very publically beating up bad guys.

But we're not Lucas Hood (Antony Starr), who's trying to start a new life for himself after 15 years in pokey.

He does so by heading to the Pennsylvanian village of Banshee, riling up the locals and trying to hook up with his ex-girlfriend Carrie (**Ivana Milicevic**), who's now on the straight'n'narrow as a married mum. Oh, she's ALSO in hiding from the same Ukrainian mob boss, who also happens to be her dad. Yikes!

Yeah, we never said Lucas was the sharpest tool in the shed.

Meanwhile, for a rural town, there's a surprising amount of crime going on in Banshee.

Despite his criminal background, Lucas soon proves to be an effective lawman, if a tad...VIOLENT while dealing with scumbags.

He also gets to see a LOT of naked women's tits, including **Lili Simmons, CJ Perry, Kay Story** and more.

Still, perks aside, Banshee doesn't have a decent doughnut shop to save its life, which makes the place hell on earth for a cop.

2013-

Banshee
Season Three

Starring: Antony Starr, Ben Cross, Ivana Milicevic
Directed by: various
Country: USA
What's the guts? Bad guy turns good cop. Or is he? He certainly has an... interesting way of making the Banshee locals obey the law. All we know is that this trigger-happy lawman sees an awful lot of GUNS...

RICH BITCH

JUST before she carked it, an 85-year-old Austrian grandma cut up $1.4m in cash and her savings account book, in the hope her family wouldn't get a RED CENT. However, if the heirs can produce enough of the pieces, the central bank says it'll replace the notes. Jigsaw time, kids!

RAY OF FUNSHINE

MAY I?
BY ALL MEANS...

MY WIFE and I have enjoyed a pretty hot sex-life. We've done things like root in public and enjoy threesomes with other women, but Ang stepped things up a notch when she said she wanted a man involved.

Rather than phone a friend, I got onto a swingers website we use pretty regularly and invited Ray over for some drinks.

Ang was more excited than usual and I was happy to see HER so happy. Before long, Ray arrived and my missus was doing a slow striptease for us on the couch.

"Is it OK if I root her now?" Ray asked. I'll admit, I was a bit apprehensive at first, but the prospect of watching him pound my wife's pussy for all it was worth was a huge turn-on.

I stayed on the couch and drank my cocktail while he went for broke, pulling out only to let Ang gobble on his dick and balls.

Without even realising it I'd worked up a massive stiffy and saw it as my sign to join in.

Ang eagerly got between us and took turns at sucking and fucking the two cocks.

Every few minutes, she'd turn like a pig on a spit, getting nicely grilled. Ray was in Ang's wet box when he started going even harder, which made ME go harder.

However, he suddenly stopped, looked up and asked hesitantly, "Reckon it's alright if I jiz on your wife's tits, mate?"

I smiled and told Ray he was the politest fella I'd ever met and to go for it.

"In fact," I grinned, "I'll join you, buddy!"

With that, Ang knelt and let the two of us crash our yoghurt trucks all over her beaut cans.

Our new fuck-buddy didn't hang around long afterwards. He said something about a guest not outstaying his welcome and sodded off! Good man, that Ray. Ang hopes to have him inside her again soon!

WEDDING NIGHT

I MET a chick at a wedding and we were fucking within two hours. How it happened is a long story.

Wedding receptions are usually loud, drunk and full of laughter. Well, this wasn't the case here – Shelly and I were the only two there with a pulse, apparently.

So while families and old people sat about doing nothing, we hit the bar and got shitfaced, quick! It was then that I suggested we dip out for some night air.

Once around the corner, Shelly slapped my arse, so I pulled her towards me, knowing it was game on.

“Turn around,” I said, while lifting her dress and pulling her lace underwear down to her knees.

> ‘I RAN MY FINGER AROUND HER PUSSY’

I ran my finger around her pussy and realised she was freshly shaven. Shelly unzipped my fly, then used her hands to brace herself against the wall.

The tip of my dick rubbed up and down her vagina lips and I could feel Shelly shake with excitement.

“Put it in quick,” she urged. I'd never been with someone so tight and once my cock was in she urged me on.

“I'm cumming,” Shelly grunted. With those two words, I blew my big load as well.

After a few more free drinks, we took the party back home to mine!

FILL BILL

WHEN my hubby carked it last year, I was looking forward to rooting younger dick.

Don't get me wrong; he was great but he NEVER wanted to fuck.

My first experience with a new fella, albeit cliché, was with my gardener, Bill.

We'd been enjoying warmer days, so I found myself outside getting a tan in my bikini while he toiled in the yard.

He was young, fit and strong and I decided to let him know.

“Do you get your muscles from all this gardening?” I asked with my sunnies on.

“It helps,” Bill replied with his back to me.

“Have you ever been with an older woman, sweetheart?”

> ‘I USED MY FINGERS TO SCOOP UP THE JOY-JUICE’

Bill suddenly sensed where things were going. He turned and walked silently to my sun lounge.

I smiled and began rubbing his knob through his shorts. Bill quickly slid them off, and his HUGE penis flopped out.

I briefly fellated him, then said, “Fuck me, Bill.” He spread my legs and kneeled with his rock-hard rooter poised at my mature lady-entrance.

My new lover pumped me better than my late hubby had done in YEARS.

I gripped Bill tight and felt him fill me up good.

My boobies jiggled as he bucked and ground his way to what promised to be a noisy orgasm.

Remembering my long-lost love for swallowing, I made him pull out and positioned myself while he pumped thick, hot jism in my mouth, which spilled onto my lips and down my chin. But I used my fingers to scoop up the viscous joy-juice to ensure I didn't miss a drop!

MAZING GRACE!

We sing the praises of this pups-out Perthling

PHOTOS BY GARY SANTOS

'I CAN CARRY THREE DRINKS WITH MY BOOBS'

WE COULD go on forever about BOOBS, especially when we're talking to a gal about 'em – like Perth sensation **Grace** and her 10G natural wonders. We're not religious types, but we wanna shake God's hand for creating the 23-year-old…and THEM MELONS!

SHOULD a guy ask before cumming on your tits or just go for it?
"It's polite to ask first or you'll run the risk of not being invited to 'cum' again. There's nothing less sexy than surprising a girl with your load and leaving her to clean it up."

Are the bosoms your favourite place for a guy to…urm, splurge out?
"On the boobs is five points, in the eye is 30 points and, if it gets in the hair, your score resets."

We like THAT game! Do you think wobbling wumbas are sexy?
"Oooooooooh, yeah – especially when I'm riding on top. In fact, I've been scared of acquiring a black eye a few times during sex. But that's what the 'hand bra' is there for."

Whose hand?
"Whoever is free at the time!"

What other fun things do you like doing with them beauties, Grace?
"Well…I can carry drinks with my boobs. I've actually mastered carrying THREE drinks at a time, which I think it's quite the accomplishment."

Have you always been a fan of tattoos?
"I have four siblings and I was the first in the family to get tattoos. I think they look sexy and cool on women. I regularly check out girls with ink done. Mum's not as impressed with my tatts, though."

What are you up to this silly season, mate?
"I'm just bumming around and living the dream. That's what the silly season's all about!"

Cheers to that!

FEMME FACTS

What's the guts? She may be named after some chick from the Bible, but this horny devil is an angel with dirty wings!

FALLEN WOMAN

Jezebel's jugs are of Biblical proportions!

PHOTOS BY MET-ART

FROM what we can recall from Sunday School when we were kids, Jezebel was a vain, seductive princess who got chucked out a window for worshipping false gods. Which is a bit sad.

Clearly, something about her appealed to sinfully stacked camgirl and porn starlet **Jezabel**, who thought it was the perfect name to complement her lush life of rampant rooting.

"In society there's this taboo. It's kind of OK to enjoy sex, but ▸

▸ it's kept behind closed doors," she said. "I'd like to travel back to the Roman era, where people were really free with sex. Everyone would just drink and fuck and have orgies."

To which we say, when in Rome…

"I think humans aren't monogamous creatures. We've just been conditioned to believe that. But in order for our species to survive, we need to procreate with as many suitors as possible to ensure the gene pool."

"Procreate" is another word for FUCK, which is something Jez knows all about!

"My favourite porn actress growing up was Tera Patrick. I absolutely loved her.

"I used to sneak out of bed in the middle of the night and watch her movies, then I'd masturbate and pray to God and Santa and say, 'Please forgive me.' Because I thought I was going to hell!"

Why an 18-year-old chick would be sneaking out of bed to watch pornos is beyond us. Anyhoooo…

We're glad the former Baptist bible-thumper is still with us and not roasting on the Devil's pitchfork. Though perhaps she should be, wicked thing that she is!

"I do girl-on-girl anal and I love bondage, that's my favourite. I don't do anal with a cock, but you know, it would depend on how large you are. I'd need LOTS of lube. Or maybe two shots of vodka and I'd do it. Two shots and some AstroGlide and I'd be like, 'Let's do this, baby!'"

'EVERYONE WOULD JUST DRINK, FUCK AND HAVE ORGIES'

Assassin's Creed Syndicate

Ubisoft, out now, RRP: $89.95 (PC)/ $99.95 (PS4 & Xbox One)

What's the guts? Better gameplay, better graphics, better storyline – what more could you want from the latest chapter in the *Assassin's Creed* series? Our resident games expert Bogdan gave *Syndicate* a spin and reckons, "It's mad! You get to play as two different characters for the first time and they both have different skill sets. The environment is massive and quite amazing. And the graphics are really detailed."

Anything else? Excuse us while we lose our shit when we tell youse that *Assassin's Creed Syndicate* is THE BEST INSTALMENT YET! Whether you're playing as underworld leader Jacob Frye or his equally deadly twin sister Evie, get ready to turn 19th century England on its head as you lead the city's gangs against the powerful, ruthless elite who rule London. Can you bring justice to the streets and change the fate of millions in the war against their corrupt overlords? Of course you bloody can!

Final word: Mob rules!

WIN! THE great people at Ubisoft have handed us FIVE games on PS4 for this contest. To enter, **just tell us IN ONE SENTENCE your fave computer game.** The five most pixelated answers will receive a copy. Mark your entries *"Assassin's Creed Syndicate* comp".

Best flying fox ever!

Richie Benaud: Those Summers Of Cricket

Hardie Grant, out now, RRP: $45

What's the guts? He may be playing in that big cricket oval in the sky, but the legacy of Richie Benaud lives on in this superb coffee table book. The career of one of our most beloved sportsmen is celebrated with contributions from the likes of ex-Aussie champions Ian and Greg Chappell and Dennis Lillee, writers Gideon Haigh and Malcolm Knox, and former English captain Mike Atherton.

Anything else? In his own words, Benaud describes his early days growing up, playing club cricket in western Sydney, then district and state teams, before finally being selected to play for Australia in the early 1950s and eventually captaining our Test team. After his retirement, Benaud became a highly respected radio and teevee commentator. He was an iconic fixture of Aussie summers for more than 30 years. This book is a fitting tribute to the great man.

THOSE SUMMERS OF CRICKET
RICHIE BENAUD
1930–2015

Final word: Marvellous!

WIN! Courtesy of those cricket lovers at Hardie Grant we have THREE books on offer. To enter, **just tell us IN ONE SENTENCE your fave Richie Benaud memory.** The three most nostalgic answers will score a book. Mark entries *"Richie Benaud* comp".

Live Wire: Bon Scott

By Mary Renshaw, John & Gabby D'Arcy
Allen & Unwin, out now, RRP: $32.99

What's the guts? It's timely with the recent tour down under of AC/DC that this book comes out telling the warts'n'all story of the band's iconic frontman and arguably its best singer (no offence, Brian Johnson). This personal and revealing portrait showcases not only the wild side of Bon Scott but also his intelligence, warmth and sense of humour.

Anything else? Bon's life story is revealed by the three people who knew him best: John D'Arcy, who was the roadie for Bon's first band The Valentines; fan Gabby D'Arcy, who married John; and Mary Renshaw, who befriended Bon in the late 60s. Between them they give readers the inside story of the man behind the hard-drinking, hard-partying myth.

Final word: This book is TNT!

WIN! WE'RE giving away THREE copies, thanks to our mates at Allen & Unwin. To get yours, **just tell us IN ONE SENTENCE the best Bon-penned AC/DC tune.** The three most rocking answers will win a book. Mark your entries "*Live Wire: Bon Scott* comp".

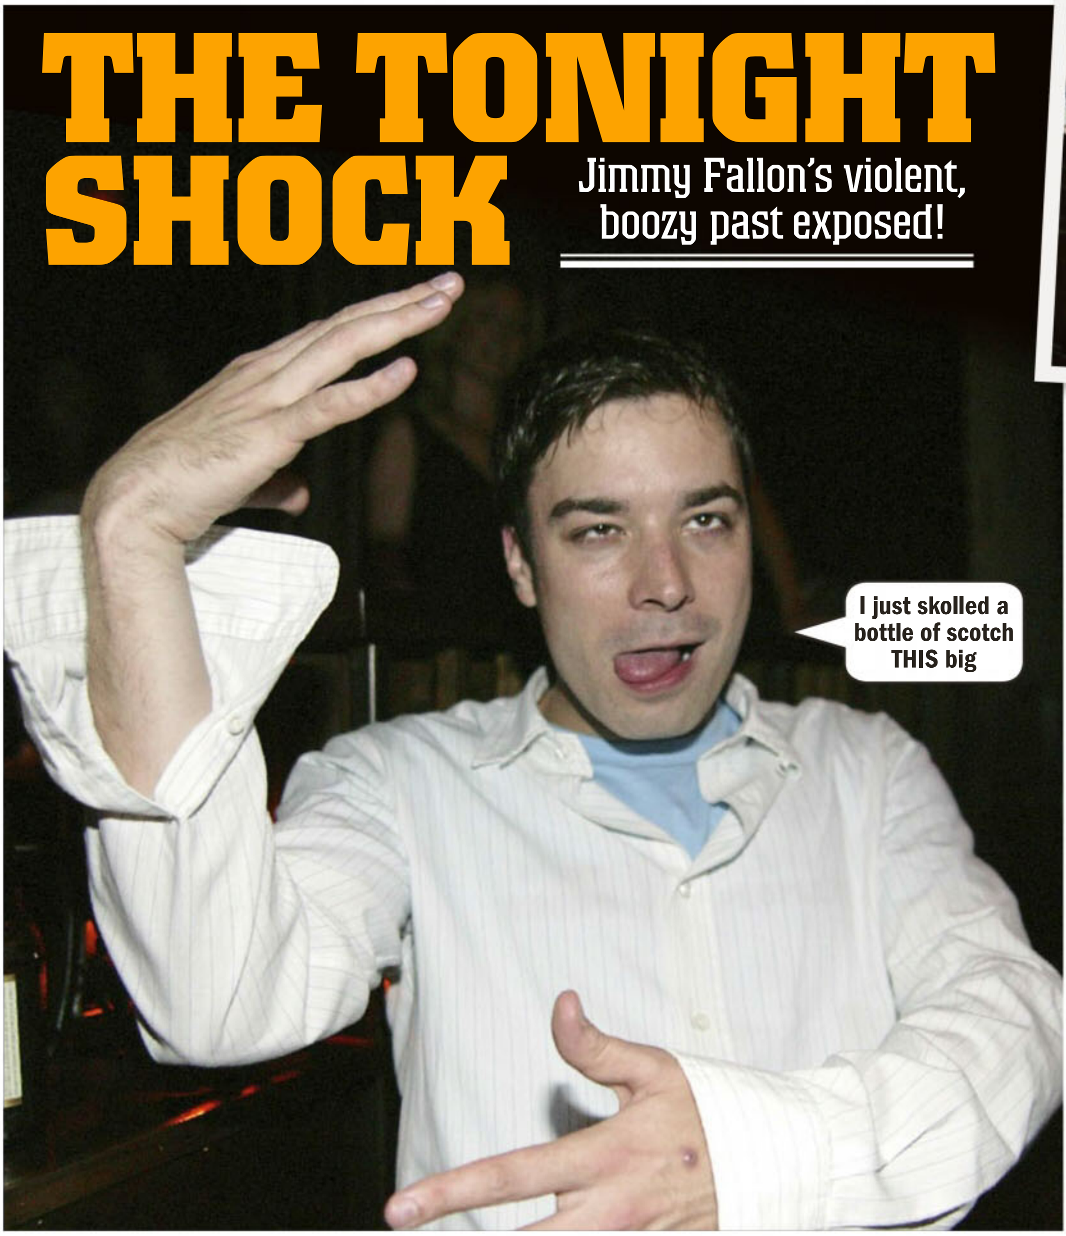
THE TONIGHT SHOCK

Jimmy Fallon's violent, boozy past exposed!



I just skolled a bottle of scotch THIS big

BABY-FACED celebrity arse-kisser **Jimmy Fallon** may be the blandest bloke ever to host legendary Seppo TV show *The Tonight Show* – and that's saying something after Jay Leno – but his mum-and-dad fans might be shocked to know that Fallon has a big boozing past that's coming back to throw up on him.

Everyone was surprised when the former *Saturday Night Live* star, who'd made a solid fist of things hosting *Late Night With Jimmy Fallon* (2009-13), got the nod for the biggest job in US TV.

However, in the little over 18 months since he's been there, Fallon has slaughtered the opposition in the ratings and has just signed a contract to go another six years.

He seems to have taken this as a sign to start the party, 'cos reports from New York have him re-enacting his days as a junior alco while on *SNL*.

Fellow cast member at the time Horatio Sanz describes he and Jimbo back then as being "super-functioning alcoholics" as they tried to live up to the example set by past cast members like John Belushi.

"We actually took what we thought being on *SNL* was, what people think is awesome about it, and we made it happen.

"We pranked around, we drank, we partied. We definitely fed into the fact that being out of control is good on *SNL*. It kind of goes hand in hand... some kind of substance-abuse issues."

And not only did Fallon get shot-smashing, knee-crawling, map-throwing, singing-out-of-tune drunk, he liked to PUNCH ON a bit as well.

"Yeah, we got in a couple of brawls," Sanz reveals. "I've seen Jimmy clock a few people. He could fight. I don't know where he learned, but he definitely scrapped with the best of them."

That was back in the early 2000s when Fallon and Sanz were cutting their tuneless, clueless swathe through the bars of the Big Apple.

Now, despite being married with a couple of rugrats, Jim has apparently kicked off another round of boozing, brawling and bad karaoke, just like the good old days.

'I'VE SEEN JIMMY CLOCK A FEW PEOPLE. HE COULD FIGHT'

He got into a big brouhaha at one of his old New York watering holes last year, finally going the knuckle with some other customers and coming back the next night to buy shots of vodka for the whole bar to make it all better.

Earlier this year he was spotted crawling along the bar at some gay joint miming to Kate Perry songs. Very badly, too, apparently.

His late-night antics around the drinking holes of Greenwich Village are such that now everyone's got their own "Jimmy Fallon bought me a tequila shot/threw up on my shoes" story to take home.

Somehow, nobody seems to think he's anything more than a real fun drunk.

It's gotta be that adorably cheeky face. People will put up with any amount of shit when you look like that.

Even terrible singing.

‘ANILINGUS FEELS SO WILD AND FILTHY!’

HEY, you Swedish nympho, you! We think you’ve kidnapped our hearts!

“Haha! I can’t help the effect my body – especially my bottom – has on all you weak men!”

We could stare at your buttocks all day, pausing occasionally to sniff at it and lick that puckered lil’ anus.

“Anilingus turns me on SOOOOOOOO MUCH! I love feeling a tongue tickling my starfish – it feels so wild and filthy. And, of course, I love doing the same to the guy.”

Do they ever get taken aback when you stick your tongue in their date?

“They’re a little surprised at first. I do it after I’ve been licking and sucking their cock and balls for a while. They’re feeling such pleasure that by the time they realise I’m tonguing their anus, too…well, they’re not gonna complain about it, are they?”

We certainly wouldn’t.
